AGRICULTURAL HISTORY

THE QUARTERLY JOURNAL
OF THE AGRICULTURAL HISTORY SOCIETY

EDITORIAL OFFICE: Agricultural History Center, University of California, Davis, California 95616.

Agricultural History is designed as a medium for the publication of research and documents pertaining to the history of agriculture in all its phases and as a clearing-house for information of interest and value to workers in the field. Materials on the history of agriculture in all countries are included, and also materials on institutions, organizations, and sciences which have been factors in agricultural development. The Society is not responsible for the statements or opinions of contributors. Editorial communications and books for review should be sent to James H. Shideler, Editor, Agricultural History Center, University of California, Davis, California, 95616.

Agricultural History is indexed or abstracted in *Biological and Agricultural Index, Biological Abstracts, Index of Economic Journals, Historical Abstracts,* and *America: History and Life.*

All members of the Agricultural History Society receive *Agricultural History*. The memberships are: student, $6; annual, $10; contributing, $15; life, $200; patron, $1,000.
